STUDY DESCRIPTION

EVA VIRC

born on April 20, 1995 in Ljubljana in the Republic of Slovenia

On October 30, 2025, she successfully completed 7 years (14 semesters) of theoretical and practical training in psychotherapy based on logotherapy and existential analysis, as well as intensive autobiographical work, and thus obtained the title

ADVANCED SPECIALIST IN PSYCHOTHERAPY (D)

abbreviation: adv. spec. PsychTh. (D)

The title »ADVANCED SPECIALIST IN PSYCHOTHERAPY (D)« does not lead to a publicly valid document pursuant to Article 32 of the Higher Education Act in the Republic of Slovenia

The title enables independent, responsible and ethical standards of the Viktor Frankl Institute Vienna, which takes into account the ethical and professional standards of the American Psychological Association (APA) and the German Association for Psychotherapy (DVP e.V.), to implement meaning-oriented psychotherapy in a consistent manner and to apply the theoretical and practical concepts of Dr. Viktor E. Frankl in various possible areas.
